

Full-time Class I Water and Wastewater Operator

City of Volga Water and Wastewater Dept, Volga SD

Job Description

Safely and efficiently maintain, construct and troubleshoot our wastewater treatment plant and wastewater collecting system. Maintains and flushes sewer mains and maintains lift stations. Treatment facilities include aeration, lagoons and wetlands.

Safely and efficiently maintain, construct and troubleshoot our five water wells, city pool and keep associated records, flushes hydrants, reads meters, installs and maintains water meters, and does testing mandated by State Department of Health. Assists other departments as necessary.

Required Skills

Requires frequent sitting, standing, walking, and climbing structures and ladders; and occasional bending, climbing stairs, kneeling, reaching, crawling, use of keyboard/computer, pushing/pulling up to 150 pounds, and lifting up to 50 pounds. Equipment used includes straight trucks over 26,001 pounds, drills, air operated tools, chain saws, and other associated equipment. Finger dexterity, good color vision and hearing, are required. On a daily basis, requires the ability to weigh/measure, read, write, and perform basic arithmetic. May require working under pressure frequently in conditions of extreme heat or cold and dirt/dust; and occasionally around fumes, chemicals, vibration, and noise.

Required Experience

Must have or be able to obtain A Class 1 Water Treatment and Water Distribution and a Class 1 Wastewater Treatment and Waste collection license within one year. Must have a valid driver's license and be able to secure a valid SD Class B Commercial driver's license within the first 90 days of employment. Preference will be given for individuals already certified and have knowledge of chemicals and lab procedures used in water and wastewater analysis. The incumbent will be required to participate in the stand by program which generally consists of checking systems and being on-call every other weekend which is subject to change as needed. Employment is contingent upon a pre-employment physical, drug screening and background check.
