

Cook's Wastepaper & Recycling is coming to your town! Starting November 1st, 2011 Cook's will be providing the garbage and recycling services in the City of Volga. 95-gallon carts will be delivered to each residential household to be used for garbage service to be picked up every Friday. Recycling services will also be provided two times per month. Recycling may be set out 5 feet away from your garbage cart in any type of container you wish, including your old garbage cans or clear/white garbage bags.

Recycling will be picked up on the 2nd & 4th Fridays of the month. In December you will be receiving a refrigerator magnet indicating the recycling dates and holiday pickups for 2012. Below will be the recycling dates for the remainder of 2011.

November 11th & 25th
December 9th & 23rd

Recycling is great way to decrease the amount of trash your household produces. We will gladly pickup additional items however there is typically a fee involved, depending on the amount of additional refuse or type of item that you wish to dispose of. Please call our office the day before your regular scheduled pickup to arrange disposal of the additional items. You will then be informed of the associated fees.

Cook's also provides temporary dumpsters and construction roll-offs in a variety of sizes for all of your cleanout and remodeling projects. Call us for details!

Cook's Wastepaper and Recycling will be closing for observance of the following Holidays:

- New Years Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Christmas Day
